MEMORANDUM FOR: Chairman, Guided Missile and Astronautics Intelligence Committee
Chairman, Critical Collection Problems Committee

SUBJECT : Assignment and Monitoring of USIB Tasks

REFERENCE : Memorandum for USIB from Ad Hoc Committee on [redacted] same subject, dated 5 March 1963

25X1

1. [redacted] in the reference memorandum (copy attached), has submitted the views of the Ad Hoc Committee on [redacted] on the subject, stemming from its study conducted under the joint auspices of the Guided Missile and Astronautics Intelligence Committee (GMAIC) and the Critical Collection Problems Committee (CCPC).

2. In view of the direct relation of the views expressed in the reference to the work of GMAIC and CCPC, it is requested that you, as the Chairmen of these Committees, prepare your comments and any recommendations you deem appropriate for the Chairman of USIB in considering the reference. It is assumed that your preparation of such comments and recommendations would be related in substance and timing to your review of the report submitted by the [redacted] Panel.

3. I would be happy to consult or collaborate with you, relative to the views of the USIB Executive Secretariat regarding the reference. As you know, I have recently initiated a series of USIB Action Memoranda in partial response to the problem cited in the reference, although they do not and are not intended to go as far in following-up USIB actions as is proposed by the Panel.

STAT

This panel is a creature of the CCPC and SMAIC committees. If this document should go to USIB (and I doubt it) it should be forwarded by either or both of those Committees. I can't see a Panel going directly to USIB by-passing its fostering agency
